WEDNESDAY, OCTOBER 17, 1-66

The Padicals insist that the South ern States must not be restored until they give guarantees of future fidelity to the Union and the Constitution. But, if the radicals want guarantees, let them say what guarantees. Not that they would be at all likely to get any beyond what the Sonthern States are already willing and ready to grant, ut the radicals have no right to rave about guarantees and exact tions and demands without specifying their nature and character. We do not know of we are una le to conceive, any letter or more perfect guarantee they could give than the taking of an oath af er a war by which their section has been d so sted to keep their tru h an faith and allegiance to the Federal Gov rument. It the So thern people would 're k such at obligation they would also reak, whenever opportunity should offer, any o ligation into which they wight enter. You can'd no more bind them than you could char the storm or ma acle the ocean Put your guarantees into their State Con titu t'ons, aid they world, if this they willed and saw the'r of portunity, t ar the'r Stat Constitutions into shreds and tatters and cast the fragments upon all the winds Force upon them negro a frage, and call life-giving elements, and we make no rethat a guarantee, and, if they sold e turns, or inadequate ones, to it, as com free id eno gh t stap n and defy ther own s lemn on hs sworn befre men and undraeath Gd give cut nders chasystem. Even when thy could not restrained, y any criatds are not yearly gr wing poores conscient ous tecling, from avaing 1 cmselves of the first o easion or chance t ann'l late at a bl w n t only negro suf frage but the negro. Treat tem well. act s ward them as your conals, en or sage them to wild up what war has cas down. do what you can to lift the mass of their people from the misery into which they have failen, use them as r thers wi se dest'ry sooner or later, must inevita l be your destiny and you need puder upon and dream of guarantees no more It is in your own power t create the strongest possible guarantees or to rinde vain as Van ty or the va ant a'r. Our S uthern friends have seen and heard and bellion to enter upon another red lin cars in the matter of plows but h w fa this country or the world can berl aga ---

But the radicals furth r retelus that toward the Union by proposing to re-turn to their places in it, and a uffi-thrm are not aware of the value and adciently good feeli g toward the support- vantages of agricultural machinery, of ers of the Union y wishing to unite fully the rapid strides it has made within a with them in a common brotherhood and comparatively few years past in reducing to become sworn upporters of the Union the labor necessary to produce crops. The themselves. But if they have not at present a sufficiently good feeling toward the work, and it has been uninently successions. Union and its Northern s-stainers, it may ful, though the end is not yet. Almost be worth while to inquire how their feelings can best be mitigated and conciliated now done, or may be done, by machinery. and make gentle and kind. Surely this and done with a rapidity and neatness not to be done by their continued exclusion from all the benefits of the Union, their rejection, year after year, from the tails of a Congress which they are compelled to a'd in s pporting, the'r subject n for an ind fin te per od to the h storical tyranny of "taxation without represcritati n -no, it is not to be done by any vantage are gained, la or an lime eco: ench a rd and monstrou means, but, if at al. by a directly contrary policy Every year, ov ry month, every week every day of the pre thoppresions and preect of the So th tend strong'y to alienate and exast rat-S uthern peop! and not to win them. Dou tless the Suthern feel- South and West sich man nes are ing is n t half and indly towar the lin'd achieve their greatest and in st split States now as I was at the che of the triumphs of the in outers and make war, tit is m re than twice as kin ly as of the e mach ness have their wits a' in' it will be in (1 t - r, 15 %, r in Deer them they will take st ps to bring th m t ler. 1 C. of the present t rece injustice the note t of all our farm rs. and the la to the South shall be kept up and aggra- ter will make hat to buy them and to va'e as hera icals audae o e y thraten run them.

to aggravate it. If the radicals rally list or agriculturists all helf of their want d the South restored as they pre-tend t do, if they a a ally do red a warrant, and buy na 'n ry and make they say they do, an improved folian of the residue twice as value is and twice the Sight toward the North and long do as productive as their who pass in fritas a condition of S therm rist ra toware. It can be die ton they would adopt the plaine t and met of that o ject and not the directly and more tof that o ject and not the directly and more tof that o ject and not the directly and more tof that o ject and not the directly and more that of ject and not the directly and more than one pursuing.
